

# Michael Flowers

Web and Tech Guru

For the past 10 years I've been a busy freelancer working remotely. I've helped with projects like sites, cyber-security, wikis, user on-boardings, and helping make companies more "cloud-aware". See more@ <https://flwrs.dev>

## EXPERIENCE

### **IT Technician, Systems Administrator, Computer Guru, Apple Genius etc. @ Various corporate IT Positions**

Jul 2008 - Present • Northern Indiana and St. Louis, MO

All details and more at

Downloadable PDF resumé -copy and paste this link: [bit.ly/mfitresum](http://bit.ly/mfitresum)

### **Systems Administrator/WebMaster @ Red Leaf IT Asset Recovery**

Jul 2017 - Present • My home office. Ballwin, MO

I work fully remote for this team managing their IT Systems, web presence, social media, retail and products, and e-commerce.

### **Freelance Photographer and Photoshop Guru @ Michael Flowers Photography**

Jun 2016 - Present • My Home Office. Ballwin, MO

Everything but weddings and babies. More just for fun but people tend to reallllly like my work.

<http://michaelflowersphotography.com> Website is currently under renovation as I rework the site.
